This exceptional fruit was grown on the renowned Regusci Family Ranch; this appellation's sunny disposition and temperate climate produces fruit of rich character and supple tannins. ... We know that you will enjoy the delicious attributes of this unique and distinctively Stags Leap District Cabernet.

### Winemaker Notes:

Deep purple color coats the glass ... Intoxicating aromas of rich, dark berry fruit, exotic spices, with a hint of coca dust... Ripe blackberry and cherry fruit submerge the palate with a rich, lush lingering finish. We encourage cellaring of this gorgeous Cabernet, with a little patience comes great reward.
