NAPA VALLEY

2007 hope & grace Pinot Noir *Doctors Vineyard, Hahn Estate, Santa Lucia Highlands*

We are proud to release our seventh vintage from the renowned Pinot Noir growing region of the Monterey Coast, the “Santa Lucia Highlands”. This wine is produced in a traditional burgundian style, full of richness, earthiness & velvety textures. A truly elegant and versatile wine. This pinot will pair beautifully with an array of gastronomy, such as salmon, quail and grilled lamb, or a tangy yet smooth cheese, such as Abbaye De Belloc from the Basque region of the French Pyrenees.

| | |

Winemaker Notes:

Immense aromas of fresh, ripe raspberry fruit with deep notes of cola, white pepper and thyme rush the senses. A lush mouth feel of candied cherry fruit floods the palate with a velvety Brulée texture. The 2007 Vintage is exceptionally balanced wine that will continue to develop with a little cellar time.

The hope & grace wine collection raises the bar for Napa Valley wines, while remaining true to the Tradition and Commitment of artisan winemaking...each wine is skillfully hand-crafted by renowned Winemaker, Charles W. Hendricks.

With the talent, passion and expertise of 25 years of winemaking, Charles hand selects the finest grapes, combined with premium French oak barrels, creating balanced and elegant cellar worthy wines.

We are modest producers of 2,500 cases annually, focusing on limited production, Single Vineyard, 100 % Varietal Pinot Noirs, Cabernet Sauvignon, Malbec, Riesling & Chardonnay.
